

2017-2018 Dual Enrollment Courses Listed by Institution

Chandler-Gilbert CC

College Biology
College English
Precalculus
Statistics
Calculus I
Calculus II
General Psychology

Arizona Christian University

Bible/*Intro to World Religions (ACU course name)*
College US History/*United States History (ACU course name)*
Spanish 4/*Intermediate Spanish (ACU course name)*

Colorado Christian University

College Anatomy/*Human Anatomy/Lab (CCU course name)*
College Chemistry/*General Chemistry/Lab (CCU course name)*
College Algebra/*College Algebra (CCU course name)*
College Physics/*General Physics II/Lab (CCU course name)*

Grand Canyon University

GCU offers 43 classes as dual enrollment online. We allow students to select from those 43, as long as we do not offer them here as a course. (e.g., they cannot take College Algebra or General Psychology)

LEGEND:	ACU = Arizona Christian University		
	CCU = Colorado Christian University		
	CGCC = Chandler-Gilbert Community College		

	GCU = Grand Canyon University		
NOTE:	Starting with the 2017-18 school year, we no longer designate dual enrollment status		
	on transcripts. Even if a course has "Dual Enroll" or "Honors Plus" in its title, it does		
	not guarantee that the student actually paid the dual enrollment fee or earned college credit.		
	It is up to the student to contact the college to prove credit was earned.
