We strive to keep our costs contained for families. Please consider that these costs are the entire school year (thru 5/19/20) and include national fees and dues, uniforms, badges, handbook, spirit shirt and unit activity supplies.

There will be additional fees for optional activities and events as well as requests for snacks and for “donation” items for community service projects.

WE NEED VOUNTEERS! The number of girls we are able to accept is based on mandatory adult-to-child ratios. Please consider volunteering to be a Unit Co-Leader. We also need a parent who is willing to be our Service Project Coordinator.
