Quarterly Edition

HEY GCS FAMILIES!

As we settle into a new school year I'd like to take the opportunity to introduce myself. My name is Tara Turner and I serve as the tuition and scholarship manager here at GCS.

Each year I have the privilege of partnering with you as you choose private christian education for your students. It's an honor to help you navigate the world of scholarships and school choice.

The 2021-22 school year has brought tremendous growth within the tax credit program and scholarship opportunities have expanded.

Some exciting additions to the program now include Overflow/Switcher and Low-Income Corporate Scholarship eligibility to the following:

- Students who were homeschooled immediately prior to enrolling in a private school
- Students who moved to Arizona from out of state immediately prior to enrolling in a private school

Whether you are well versed in the Arizona tax credit program or just beginning your journey - I'm here to help!
