**Mission**

Student instruction is centered around the maturing of each Christian in their faith or the witnessing of Jesus, the Son of God, to those who do not believe. Within this context, we provide an academic education that furnishes the skills necessary to further their education and to function in our society. These skills include college preparation and the ability to grasp, analyze, and communicate varied concepts clearly and articulately. This education is provided while looking at the individual needs of the student within the educational goals of the school.

**Admission Requirements**

*Spiritual:* It is the strong desire of the school that the adults in the host family and at least one parent have made a profession of faith in Christ. The students, parents, and hosts should understand and affirm agreement with the Gilbert Christian Schools mission statement and statement of faith. In the case of an unbelieving student or parent, there must be agreement, understanding, and support of our teachings and beliefs.

*Behavior:* Students abide by a code of conduct, requiring discipline, respect for authority, neatness in physical appearance, courteous and appropriate speech, abstinence from sexual contact, tobacco, drugs, and alcohol, and a commitment to the use of leisure time which is consistent with Christian character.

*Academic:* We seek students willing to accept the challenge of a rigorous program of academics, fine arts, extracurricular activities, and athletics in a caring Christian environment designed to prepare students for college and for life.

**Athletics**

Students are encouraged to participate in athletics. Gilbert Christian Schools is a member of the Arizona Interscholastic Association (AIA) and competes with other schools of similar size.
